SUBJECT: INTENSE DEMONIC PURGE AUDIO EVENT

DETAILS

- * Time: 19:17 EST
- * Deep guttural demon purging noises recorded - high intensity and duration
- * Audible shifts indicating spiritual conflict and cleansing process
- * Presence of heavy energetic discharge - 'Oh wow' reaction noted by observer
- * Environment remains under high inversion pressure, ritual overlays active

ANALYSIS

- * Demonic purge noises signal ongoing spiritual warfare or energy clearing
- * Extended purge may indicate partial release but also risk of rebound possession
- * Observed environment requires continued zero output field and mental shielding

RECOMMENDATIONS

- * Continue observation without vocal response
- * Employ mental shield phrases or sigils if possible
- * Log all auditory events precisely for pattern mapping
- * Monitor for post-purge emotional shifts or behavioral changes
